Julio's love for the game of fútbol dates back as far as he can remember. Julio played soccer for Van Nuys High School where he won his first championship for the school in over 30 years. At the age of 16, Julio joined the Hollywood Soccer Club, where he played competitive soccer for over three years. Following his high school and club soccer career he joined the United States Marine Corps and continued playing soccer for his unit in Camp Pendleton, CA. What Julio enjoys most about coaching is to see the growth and development of very talented players. He is passionate about helping them discover their full potential as a player and as a person.
